What are we expecting?

35th America's Cup

- Approximately 85 superyachts
- Approximately 1000 other boats
- Twelve official spectator boats

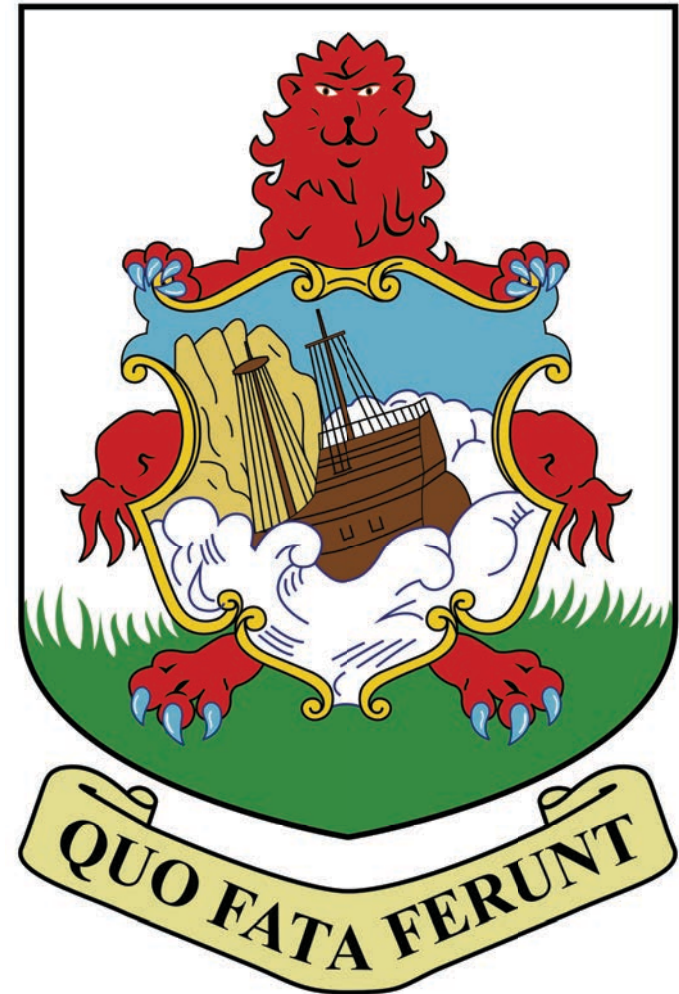

Official Notice to Mariners

What does this mean to you?

- Race Course
- Speed Limits
- Caution to be exercised by mariners
- Patrol of course

America's Cup Flag Policy

Boats under 40' – \$35 flag, a one-time payment for the full AC35 season. This is the majority of local boaters.

Boats 40' – 79' – \$15/foot, a one-time payment for the full AC35 season.

Visiting yachts under 80' are welcome and are required to register. We anticipate a large number of visiting yachts who are in Bermuda for the Marion to Bermuda Race, the Antigua to Bermuda Race and Rally to the Cup visiting yachts.

Flag/registration provides access to daily information about the races, schedule and on water operations plan for the day.

Yachts over 80' and not in the AC superyacht program will not be permitted access to the race area.

VIP boat area. A boat operator cannot apply for a VIP flag. VIP flags are assigned to America's Cup partners who can use that flag on any boat. It allows for viewing from inside the boundaries of the race area. These boats will likely be all sizes, including some that are over 80'.

Superyacht area - Superyachts in the Official America's Cup Superyacht program will receive a superyacht flag which will provide access to the superyacht viewing area.

They cannot purchase a flag separate to their berth.

Southwest/Northeast Race Course Configuration

A Few Points to Remember...

- The access to Dockyard Harbour Entrance is going to be restricted between **noon and 5 pm** for all boats on AC Event Race Days. This is going to be controlled by a Harbour Entrance Control Manager (HECM), in two boats supplied by The Royal Bermuda Regiment.
- In order to enter the area you must have a valid reason ie. official ACEA flagged boats (including official event and AC Team boats, authorized tour boats, Pier 4I tenants etc.), going to Pier 4I fuel station for gas and supplies etc.
- Any boat wanting access to the Entrance during this time period and does not have an official flag, will need to contact the HECM on **VHF channel 77** to request access. These boats will be allowed access for valid reasons and only be given a **maximum time of 30 minutes** to go to the Pier 4I station and then will need to vacate the area.
